### **Mission**

Madison, New Jersey is a town with rich and diverse cultural activities. The Madison Arts and Culture Alliance (MACA) strives to nurture the flourishing of the community's economy and quality of life by supporting the historic, artistic and cultural efforts of Madison-based artists, nonprofit organizations, educational institutions, places of worship, businesses and government. MACA also seeks to foster innovative and substantial relationships amongst these constituencies as a means to promote the vigorous and open exchange of creative thought necessary to sustain a healthy and inclusive community.
